- Parchment

ENTER ALL MEASUREMENTS IN INCHES OF *OUTSIDE* DIMENSIONS OF SPA OR OLD COVER

MEASURING HINTS:

RADIUS: Measure from the imaginary corner of square to where the radius starts to curve in. Average radius is 5"-13"

CUT CORNERS: Just measure the angle. Always measure overall spa, not just between cut corners.

OCTAGON: All eight sides are equal, like a "STOP" sign.

KIDNEY, OVAL: Use clear plastic sheeting (minimum 2 mil) and a permanent marker. Mark outside edge of spa. Mark "TOP" name, address, phone, color, flap size, tie downs, foam density on top side of plastic.

WARNINGS: Never sit, stand, walk, or lay on spa cover. It may burn or break. Spa cover will not support the weight of any human or animal. Handles, loops, and tie-downs are not for carrying, but for positioning and hold down only.

AGREEMENTS: Cover specifications above were provided by the customer. Buyer assumes responsibility for cover specifications.

ALL SALES ARE FINAL - PAYMENTS ARE NOT REFUNDABLE
